

Prime Medical College, Rangpur.

Operational Manual, Phase-III

PHASE BOOK

14th Batch (Session: 2021-2022)

Pirzabad, Rangpur, Bangladesh

Website: www.pmcdb.org

Email: academic@pmcbd.org

3rd Phase

Basic information about course (4th year MBBS Students)

Medium of instruction: English.

Subjects in 4th year: Pathology, Microbiology, Community Medicine & Public Health (Para clinical), & Clinical subjects.

Duration: 12 months. All academic activities including Professional Examination of each Phase will be completed within the specified time of the phase.

Teaching & learning methods

The following teaching and learning methods will be followed:

Large Group Teaching:

- * Lecture
- * Seminar

Small Group Teaching:

- * Tutorial
- * Demonstration
- * Students interaction
- * Problem based Learning (PBL)

Practical Session:

- * Use of Practical Manual
- * Performing the task/examination by the students
- * Writing the practical Note Book

Clinical Teaching:

- * In ward, OPD, OT, POW, ED, ICU etc.
- * By concerned

N: B: OPD=Out Patient Department, OT=Operation Theater, POW=Post-Operative ward, ED=Emergency Department, ICU=Intensive Care Unit.

Integrated Teaching:

- * Encourage to learn ICT through computer lab of the college.

Generic Topics on Medical Humanities to be taught in Phase –III

The following two topics will be taught within 3rd phase under supervision of Phase-III coordination committee in collaboration with medical education unit (MEU). The sessions will be under the guidance of Principal & Vice-principal, coordinated by concerned departments and sessions will be delivered by concerned experts of the topics. Each session will be one and half hour. Attending these session will be mandatory and will be reflected in the formative & summative assessment of Phase-III.

Topics:

1. Integrity and accountability of medical professionals.
2. Aspects of a good doctor.

Integrated Teaching in Phase-III

All the departments of Phase III (Community Medicine & Public Health, Pathology, Microbiology) must be present and take part in the integrated teaching while the faculty representatives from concerned clinical & others departments will also participate actively. Teachers will be the speakers in each session. Participation of the students of phase III should be ensured. Students need to get some 'take home message' from every session. To ensure presence of the students Schedule for integrated teaching session will be set at the phase III committee meeting in collaboration with medical education unit (MEU).

Total -20 hour. Each session will be for at least 2 hour.

Topics:

1. Occupational and Environmental hazard
2. Snake bite
3. Transportation injuries
4. Disaster management
5. Shock
6. Glomerulonephritis
7. Rheumatoid Arthritis/ Osteomyelitis
8. Different Viral Fevers (Covid-19, Dengue, Chikungunya)
9. Carcinoma Cervix

Assessment:

- * There will be in-course (card/item/term) and end-course (professional) assessment for the students in 4th phase of the course i.e. Formative and Professional examinations.
- * Formative assessment will be done through results of **items**, card and **term** ending examination & **class attendance**.
- * For Formative assessment, 10% marks of written examination of each paper of each subject is allocated.
- * For MCQ of each paper, 20% marks will be allocated. There will be separate answer script for MCQ part of examination. Total number of MCQ will be 20.
- * For SAQ of each paper, 70% marks will be allocated.
- * Oral part of the examination will be structured.
- * OSPE/OSCE will be used for assessing skills/competencies. Traditional long & short cases will also be used for clinical assessment.
- * There will be Phase (3rd Professional Examination within the academic phase.

Criteria for eligibility to appear in the 3rd Professional Examination:

- 75% attendance in Lecture & Tutorial classes separately.
- Completion of Item card & Practical notebook.
- Obtaining at least 60% marks in Term examinations.
- Obtaining at least 60% marks in average of Item examinations.

** No student will be allowed to appear in the 3rd Professional Examinations unless the student passed in all the subjects of Previous Professional Examinations**

Subjects include in the 3rd Professional Examination: Microbiology; Pathology; Community Medicine & Public Health**Distribution of Marks in 3rd Professional Examination:**

Subjects	Written Exam Marks	Formative Exam Marks	Structured Oral Exam marks	Practical Exam Marks	Total Marks
Microbiology	90	10	100	100	300
Community Medicine & Public Health	90	10	100	100	300
Pathology	90	10	100	100	300
Total	270	30	300	300	900

Written Examination (Marks distribution): Total 100 Marks

Summative: Total 20 Marks	Summative: SAQ:- 70 Marks				Formative Assessment
MCQ:- 10 Marks SBA:- 10 Marks	Group-A	Group-B	Group-C	Group-D	10 Marks
	17.5	17.5	17.5	17.5	

(1) Multiple Choice Questions (MCQs): Time, number, marks & type of questions:

- Time allocation: 30 minutes.
- Number of question: Total number of MCQ will be **20** for 20 marks out of which 10 marks for **MFT** and 10 marks for **SBA**.
- Type of question:
 - MTF (Multiple True/False) type of question (Each question will carry one stem and five alternatives).
 - SBA Single based answer type of question .
- OMR sheet will be provided for MCQ & SBA.

(2) Short Answer Question (SAQs): Time, number, marks & type of questions:

(a) Time allocation: 2 Hours 30 minutes.

(d) Type of question:

-> Recall -50%

-> Understanding type -35%

-> Problem based type -15%

(3) Formative Assessment: Total Marks: 10

-> Five (05) marks from Two (2) Term Examination.

-> Five (05) from attendances:

(a) For attendance of General classes: 03 marks

(b) For attendance of Integrated teaching: 02 marks

(c) For attendance of Generic topics: 01 marks

■ Oral Examination Board	
Board-01	50
Board-02	50
Total Marks	100

■ Practical Examination	
Conventional Practical / OSPE:	50
Traditional Practical:	40
* Practical Notebook & Integrated teaching:	10
Total Marks	100

* In Department of Microbiology: Practical Notebook=05 marks & Integrated teaching=05 marks

Pass Marks of Third Professional Examinations:

* In the 3rd Professional Examinations: Pass mark is 60%. Student must have to pass **Written** (MCQ+ SAQ+ Formative), **Oral & Practical** Examinations separately.

Common Rules for Examinations

- * University Professional Examination to be started from May and November.
- * University Professional Examinations will be completed within the specified time of the concerned Phase.
- * To appear 3rd Professional Examination students have to pass all the subjects of previous 2nd Professional Examination if all other prerequisites are fulfilled.

Friday 13-06-2025								

1st Term Final Written Examination

Date	Day	Duration	Subject
18-05-2025	Sunday	From 10.00am To 1.00pm	Pathology
20-05-2025	Tuesday	From 10.00am To 1.00pm	Microbiology
22-05-2025	Thursday	From 10.00am To 1.00pm	Community Medicine & Public Health

Schedule for Oral Examination according to Batch (From 9.00 to AM to 02.00 PM)

Date	Days	Microbiology	Pathology	Community Medicine & Public Health
25-05-2025	Sunday	A	B	C
26-05-2025	Monday	D	E	F
27-05-2025	Tuesday	B	C	A
28-05-2025	Wednesday	E	F	D
29-05-2025	Thursday	C	A	B
31-05-2025	Saturday	F	D	E

Academic Calendar Of 4th Year MBBS Students (PMC-14)

Second Term

Duration: 14.05.2025 to 28.09.2025

Day & Date	7.00 a.m to 8.00a.m	8.00 a.m to 9.00 a.m			11.30 a.m to 12.30 p.m	12.30 p.m to 2.30 p.m	12.30 p.m to 2.30 p.m	12.30 p.m to 2.30 p.m
	L.ecture class 4 th year (LG-2)	L.ecture class 4 th year (LG-2)			L.ecture class 4 th (LG-2)	Microbiology Practical & Tutorial	Pathology Practical & Tutorial	Community Medicine & Public Health Practical & Tutorial
Saturday 14.06.2025	Pathology:46 Systemic Pathology:31 Respiratory System:03 Prof. Dr. Ashraful Alam	Gynae & Obs Baby(IYCF) Dr.Anjana Sarker	Leisure (9.00 A.M – 9.30 A.M) Ward placement (9.30 A.M – 11.15 A.M)		Microbiology-1 Introduction to Parasitology Prof. Dr. Parimal Chandra Sarker	Integrated teaching (Glomerulonephritis) A+D Batch Discussion: Mycology- 1,2,3 Item Exam: Mycology- 1,2,3 Practical-01 : M/E of skin scrapping for fungal elements (dermatophytes and candida)	Integrated teaching (Glomerulonephritis) B+E Batch Orientation about 2nd Term Schedule & Practical.	All batches Integrated teaching (Glomerulonephritis) Pathology department.
Sunday 15 .06.2025	Pathology:47 Systemic Pathology:32 Renal System-05 Prof. Dr. Sohorab Hossain Bhuiyan	CM & PH: 62 Environmental Health & Water (Item-17) Dr. Tamanna Hamid			Microbiology-2 Entamoeba histolytica-1 Dr. Md. Khairuzzaman	C+F Batch Discussion: Mycology- 1,2,3 Item Exam: Mycology- 1,2,3 Practical-01 : M/E of skin scrapping for fungal elements (dermatophytes and candida)	A+D Batch Orientation about 2nd Term Schedule & Practical	B+E Batch Orientation Discussion: Item-17
Monday 16.06.2025	CM & PH: 63 Air-Borne diseases (Item-27) Dr. Md. Nawshaduzzaman Khan	Microbiology-3 Entamoeba histolytica-2 Dr. Md. Khairuzzaman			CM & PH: 64 Environmental Health & Water (Item-17) Dr. Tamanna Hamid	B+E Batch Discussion: Mycology- 1,2,3 Item Exam: Mycology- 1,2,3 Practical-01 : M/E of skin scrapping for fungal elements (dermatophytes and candida)	C+F Batch Orientation about 2nd Term Schedule & Practical	A+D Batch Orientation Discussion: Item-17
Tuesday 17.06.2025	Surgery Anesthesia Pharmacology: Drugs: induction, maintenance, muscle relaxants Dr. Md. Mushfiqur Rahman	Medicine Amoebiasis, Giardiasis Dr. Ratindra Nath Mondal			Pathology:48 Systemic Pathology:33 Bone, Soft Tissue:01 Asst Prof. Dr. Tamanna Jannat	A+D Batch Item Exam: Para- 1 Discussion: Para- 2 Practical / Demonstration -02: Demonstration and interpretation of ICT for HBsAg, Anti-HCV, Anti-HIV, Anti-Dengue	B+E Batch Item Exam 14,(Card2A,Skin) Discussion Item No. 01,(Card2A,GIT)	C+F Batch Orientation Discussion: Item-17
Wednesday 18.06.2025	Orthopedic Mass casualty – ATLS Dr. Shahriar Arif	CM & PH: 65 Air-Borne diseases (Item-27) Dr. Md. Nawshaduzzaman Khan			Microbiology-4 Leishmania donovani (L-1) Prof. Dr. P. C. Sarker	C+F Batch Item Exam: Para- 1 Discussion: Para- 2 Practical / Demonstration -02: Demonstration and interpretation of ICT for HBsAg, Anti-HCV, Anti-HIV, Anti-Dengue	A+D Batch Item Exam 14,(Card2A,Skin) Discussion Item No. 01,(Card2A,GIT)	B+E Batch Assessment: Item -17 Discussion: Item -18
Thursday 19.06.2025	CM & PH: 66 Family planning (Item-28) Dr. Md. Nawshaduzzaman Khan	Pathology:49 Systemic Pathology:34 Endocrine System-01 Prof. Dr. Sohorab Hossain Bhuiyan			CM & PH: 67 Environmental Health & Water (Item-17) Dr. Tamanna Hamid	B+E Batch Item Exam: Para- 1 Discussion: Para- 2 Practical / Demonstration -02: Demonstration and interpretation of ICT for HBsAg, Anti-HCV, Anti-HIV, Anti-Dengue	C+F Batch Item Exam 14,(Card2A,Skin) Discussion Item No. 01,(Card2A,GIT)	A+D Batch Assessment: Item -17 Discussion: Item -18
Friday 20-06-2025								

Day & Date	7.00 a.m to 8.00a.m	8.00 a.m to 9.00 a.m			11.30 a.m to 12.30 p.m	12.30 p.m to 2.30 p.m	12.30 p.m to 2.30 p.m	12.30 p.m to 2.30 p.m
