

Student's Achievement of PME

Welcome to PMC-18 Batch

PRIME MEDICAL COLLEGE

Pirjabad, Rangpur. Bangladesh. Cell : 01704-102776, 01712803222

website: www.pmcdbd.org, e-mail: pmc@pmcbbd.org

About Prime Medical College

Prime Medical College was established in 2008 with a view to produce doctors of international standard so that they can serve the global healthcare needs. PMC desires to train the doctors who will bear skill in service delivery, empathy to the sufferings and health research. Prime Medical College provides healthcare facility of modern tertiary level of hospital, where a sufficient opportunities prevails for hands-on skill development of Medical.

The institute is completely capable to provide residential accommodation for native and foreign students. Male and female students are accommodated in separate establishments. Native and foreign students have their separate dining facilities.

Significant number of Prime Medical College graduates already became specialized in different Medical specialties. Many graduates are enrolled and studying in Post graduate course in home and abroad.

Medical doctors from PMC showed success in P.S.C exam and will serve in government Medical Institutes.

In the coming session 2025-2026, the medical college is going to resume its 18th Batch. We welcome you all wholeheartedly.
